CAMA

SECTION STREET PROJECT: Mr. Jim Pirtle stated that United Consulting Engineers would be meeting with the Board of Commissioners the week of October 5th to discuss the Section Street Project.

PULSE ENERGY SYSTEMS: Mr. Tim Buehner, real estate agent for Pulse Energy Systems appeared before the Board of Commissioners to discuss using county right-of-way for gas lines. Mr. Ray McCammon stated that he would not vote to allow the company to use county right-of-way unless Mr. Buehner had presented a six month or a one year master plan showing what county roads would be involved. Carter Phegley stated he would prefer that county right-of-way not be used at all. Pulse Energy is willing to pay the county .25¢ per foot or \$1,320.00 per mile for right-of-way use Mr. Buehner stated. Also, Jim Pirtle and Benji Boyd agreed to meet with Tim Buehner to assess the damages done by Pulse Energy in order for compensation to be made to the highway department on all roads involved.

COURT HOUSE JANITOR: A motion was made by Carter Phegley to hire one janitor at 40 hours per week for court house maintenance this motion was seconded by Jim Pirtle. The Board of Commissioners would like for Brad Drury to make a recommendation to them after he has interviewed the applicants. This employee will be paid \$8.00 per hour with raises granted quarterly during a one-year probationary period. The employee will receive full benefits upon hiring date. Jim Pirtle asked the Board of Commissioners to set an executive meeting to discuss personnel.

SHELBURN WATER CO.: Upon the request of Rodney Clouse, Shelburn Water Superintendent, Mr. Jim Pirtle made a motion to allow Shelburn Water Co. to a 4" water line 1200 feet in the county ditch on Co. Rd. 75W this motion was unamious by both Carter Phegley and Ray McCammon. With Shelburn Water unable to execute an easement with Chambers family the water line from Shelburn to Fairbanks was incomplete.

CO. RD. 600S: Mr. Carter Phegley announced that Peabody Coal Co. would be fully responsible for the black-topping of Co. Rd. 600 S and that the county would not be involved.

CO. HEALTH BOARD: Mr. Don Bedwell a member of the Co. Health Board submitted a letter to the Board of Commissioners for an executive meeting.

JACK HIATT: Mr. Jack Hiatee owner of the real estate in Paxton used by Carter Phegley as his unit site asked that this be vacated by the county within the next thirty days. Also, Mr. Hiatee asked that the property be inspected by environmental company. On a motion by Jim Pirlte and seconded by Carter Phegley the county will complete this request.

CO. RD. 700 E: Mr. Rex Monroe reported that the weeds around the guard-rail on Co. Rd. 700 E needed to be mowed.

CARTER HALE: Mr. Carter Hale advised that the tort claim that the County Commissioners had no knowledge to would be forwarded to the county insurance carrier.

BONDS: Bonds were approved on Deann Talley and Judy Harris on the Sullivan County Redevelopment Commission.

CO. ASSESSOR: A new contract with the Co. Assessor and Manatron, Inc. was signed by the Board of Commissioners (here copy)

Means a software product providing minor error corrections, modifications or enhancements to a Program Product Version and which is generally offered and expressly designated by the Company in its sole discretion as a Release.

"Version"

Means the original of or a successor to a specified Program Product and which is generally offered and expressly designated by the Company in its sole descretion as a Version.

"Error or Defect"

Means any failure of a Program Product to conform in all material respects to its functional specifications as published from time to time by Company.

II. SCOPE OF SERVICES

Company shall render to Customer the following services:

A. SOFTWARE

PROGRAM PRODUCTS

Company shall provide support services for the Program Products identified on Schedul B hereto. Such services shall include troubleshooting, technical analysis, problem diagnosis and procedural assistance All such services shall be provided via telephone contact with Customer and/or remote dial-up access by Company into Customer's computer system.

Company shall be responsible for using all reasonable diligence to attempt to correct or cure any verifiable and reproducible Error or Defect in a Program Product by issuing corrected instructions, a resriction, a bypass or procedural workaround or a new Release. Company shall not be responsible for correcting any Error or Defect in any version of the Program Products other than the most recent Version/release of the Program Product, provided that Company shall continue to support prior Releases for a reasonable period sufficient to allow Customer to implement the newest Version/Release. In the event Company does not resolve an Error or Defect after it has had a resonable opportunity to do so, Customer's exclusive remedy shall be the refund of the amount paid as the licese fee for the defective Program Product.

Company shall issue new Releases of the Program Products from time to time to its contracted support customers. Such Releases may include functionality enhancements, error corrections and modifications required by legislation and/or admnistrative rule. Depending upon the scope and magnitud of the new components of a given release, Company may, in its sole descretion, charge Customer additional fees for such Release. In such event, Company may spread its fees for such a Release proportionally among the users of the Program Product. In no event will any such fees exceed Company's then current list price for that Program Product.

From time to time, Company may develop a completely new Version of a Program Product. Said Version would typically incorporate the use of new technologies as well as the addition of significant functional enhancements. For such new Versions, Customer must pay additional license fees, as determined by Company. In such event, Company shall continue to support the prior Version of the Program Product for a reasonable period.

SYSTEM SOFTWARE

A. Company shall provide support services for only such system software products specifically identified as eligible for Company support on Schedule A hereto. Company may not provide support services for each of the system software products it provides Customer under this Agreemetn. For each system software product that is supported by Company, such support shall include trouble shooting, technical analysis, program diagnosis and procedural assistance. All such services shall be provided via telephone contact with Customer and/or remote dial-up access by Company into Customer's computer system. For almost all system software products provided by Company, Customer must pay additional fees for new releases and new versions. For certain select system software products, Company does offer a comprehenseive support services plan, which includes now releases/ware/

include troubleshooting, technical analysis, problem diagnosis and repair or replacement of the defective device. Any replacement unit shall be of equal or better quality and functionality than the defective device. Company, at its sole option, shall provide such services either directly, with Company's own employees, or indirectly, through the manufacturer or through third-party subcontractors. In any event, Company shall remain solely repsonsible to Customer for problem resolution.

In certain instances, Company may elect to replace a defective unit with a loaner unit. In such event, Company shall ship the loaner unit to Customer and Customer shall ship the defective unit to Company for repair. One repair has been completed, the unit shall be returned to Customer and Customer shall return the loaner unit to Company. All shipping costs associated with such activity shall be the responsibility of Company. The parties further agree that the method of packaging and shipment shall be in accordance with commercially reasonable standards.

The Company is not obligated under the terms of this Agreement to repair damage to equipment caused either directly or indirectly by (a) nuclear radiation or radioactive contamination arising out of the use by Customer of radioactive material, (b) accident, negligence or abuse of or by Customer or third Parties, (c) Failure of Customer to maintain required envionmental conditions, (d) causes external to the systems such as electric power fluctuation or failures, (e) fire, windstorm, the elements, or acts of God or (f) attachment of non-Company equipment or features to the equipment by Customer or third parties. Such repair will be rendered only upon specific order by Customer and after approval by Customer of the estimated charges thereof.

Maintenance charges do not include the furnishing of supplies (such as ribbons, paper forms, media, printheads, toner or laser drums). Only supplies which meet manufacturer's specifications shall be used by Customer.

C. GENERAL

Company shall maintain a toll-free telephone support line for Customer to report problems associated with the covered products listed on Schedules A and/or B. Telephone support is not intended to serve as a training facility.

Service coverage is 8:00 a.m. to 5:00 p.m. local time, Monday through Friday, excluding Designated Holidays.

The Company shall activate an escalation plan to involve the necessary technical resources should some extraordinary circumstance cause repair or problem resolution to extend beyond a reasonable time.

In certain situations associated with the repair or correction of a reported problem, additional effort may be necessary to return the system, as a whole, to normal operation, i.e., re-loading of system and/or application software, restoration of data files, etc. In such cases, it may be necessary to secure the onsite services of a Company technician. These services will be provided Customer at additional cost, billed at the Company's then current daily rate, plus travel related expenses.

Should the Customer from time to time require and request other services offered by the Company but not covered under this Agreement, The company will provide such services at its then currect time, materials and travel rates.

The Company reservces the right to request that Customer upgrade its equipment, systems software and/or Program Products to a subsequent or new release, version or model on Company request. Customer ackowledges, understands and agrees that in teh even that Customer refuses to upgrade, Customer may preclude Company from performing its duties and obligations hereunder. In such event, and notwithstanding any other provisions of this Agreement, Company reserves the right to discontinue support services.

Company shall have no repsonsibility or liability with respect to any problems associated in any way with Customer's installation and/or use of any equipment, system or application software purchased by Customer from another vendor. Customer acknowledges that its use of such products may adversely effect the operation of those products supplied by Company. In such event, Company will, at Customer's request, provide its best efforts to identify and, if practical, to resolve the problem. If the problem is ultimately determined by Company to be caused by or atibutable to another vendor's product, Customer shall pay Company additional fees calculated at Company's then current time, material and travel rates.

III. TERM OF SUPPORT AGREEMENT

Support services shall commence on the first of themonth next following installation and shall continue for an initial period of thirty-six (36) months.

This Agreement shall renew automatically for additional terms of twelve (12) months unless either party provides the other written notice of termination ninety (90) days prior to the expiration date of the initial term or any subsequent twelve-month term.

IV. COMPENSATION

In consideration of the performance of such services as set forth in this Agreement, the Company will receive fees in the amount set forth in Schedule A and/or Schedule B from the Customer. These fees are subject to change as further described in Section V.

V. PRICE CHANGES

If the Comapny utilizes a third party equipment maintenance services provider, the Company shall be entitled to change any price for equipment maintenance services upon thirty (30) days prior (to the next invoicing cycle) written notice in order to pass through to the Customer any price increase or decrease which the equipment maintenance services provider may from time to time make.

The Company shall be entitled to increase any prices for software support and/or equipment maintenance services provided by the Company upon thirty (30) days prior written notice to the Customer, no more than once in every twelve (12) month period under this Agreement.

VI. CUSTOMER RESPONSIBILITIES

Customer shall provide the Company with access to Customer's facilities and use of the Customer's office space, office equipment, computers and other equipment or records that may be required to perform the tasks described herein, including access after normal working hours nad on weekends. The Customer shall provide the necessary personnel to maintain security of the facility, as deemed appropriate by the Customer.

customer shall create and maintain timely, accurate and readable electronic back-ups of all data, program and system files. Company will advise Customer of the proper procedures regarding same.

Customer shall provide and bear the costs of Company specified modem sets. Further, Customer shall procure and maintain, at its own cost and expense, a dedicated, voice-grade phone line (no operator interface) to facilitate remote support services. This phone line shall be installed within 20 feet of the workstation to be used for remote diagnostic support and must be installed prior to equipment/soft-ware installation.

VII. COMPANY RESPONSIBILITIES

The Company shall maintain a trained staff capable fo rendering the services set forth herein and will perform its services under this Agreement in a professional manner, consistent with standard industry practices.

The Company will safeguard any materials, equipmetn and information provided by the Customer during the term of this Agreement in a manner prescribed by the Customer. In lieu of specific guidance from the Customer, the Company will use reasonable care to prevent unauthorized disclosure of Customer information.

VIII. SUBCONTRACTS

The Company reserves the right to subcontract work, as it deems necessary, to perform the services under this Agreement.

IX. SERVICE WARRANTY

The services provided hereunder to the Customer are on an "as is" basis without warranty. THE COMPANY MAKES NO WARRANTIES WITH RESPECT TO THE SERVICES, EXPRESS OR IMPLIED, INCLUDED, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
